Share on Ovi

## Capture and share your media - anytime, anywhere

### Comprehensive: Share and manage all your personal media

- Share on Ovi provides one place and unlimited storage for all of your media: photos, videos, and more
- Easily upload from your mobile device, email or the web
- Rich functionality makes organization easier
- Free service

### Customizable: Share the way you want

- Share publicly with the world or privately with whom you choose
- Capture and share media in the moment from your mobile device, tight integration with Nokia camera and gallery
- Share to non-members and even allow them to contribute media
- Create a group experience with multiple contributors
- Easily republish your media on other web sites or in your blog
- Maintain control over who can view, comment, or tag your media

### Connected: Many ways to discover and engage

- Browse and search from your mobile or desktop devices
- Add comments or favorites and send private messages
- Stay connected – see all latest comments and media from your friends on the move
