

DANCE fabulous

Your music makes You move

Pick your tune. Pick your style. Pick your location. And Dance Fabulous! Dance Fabulous is all about your music and style. Dance along to your own music library, create your own unique dance moves and boost your music experience to a totally new level!

- Dance Fabulous is identified as one of the key N-Gage titles for 2009!
- 1st cross-service music game coming out for N-Gage.
- You can use all the music in your device to play with the game.
- Download more tracks for your game from Nokia Music Store.
- First mobile game where you can create your own dance moves to any music you have stored in your mobile device.
- Create your own fully customizable avatar!
- 8 different dance sets with mix & match ability.
- Community features: Share your moves with your friends via the N-Gage Arena.
- Connect with a real-life digital popstar, Cindy Gomez.
